Subject: PHX Study Close-out Report for WatchPC attached

As noted in the Introduction of the attached report, tomorrow I will be sending two print-outs of this report to Kim and two to Barbara. I will also be returning 127 WatchPCs to Kim for archiving. Ed will receive two CD-ROMs.

If I've missed anyone in the distribution list, please forward this e-mail and attachment to them. Any questions, please contact me by phone or e-mail at your convenience.

For many reasons, the PHX study was a great milestone for us all. Your confidence and commitment were much appreciated by Charles (he told me often that you are a 'dream client'), as well as the rest of us at IPI.

Kindest regards,

Michelle.
